

COMPANY OVERVIEW

Briteline Solutions LLC is a Service-Disabled Veteran-Owned Small Business in Canton, Michigan. We source and deliver products for federal, state, and local government buyers and for businesses. We work with established manufacturers and authorized distributors, and every order has one accountable point of contact from request to delivery.

CORE COMPETENCIES

- **IT equipment:** laptops, desktops, monitors, printers, docking stations, cables, and accessories
- **Office supplies:** paper, toner, ink, filing, breakroom items, and everyday consumables
- **Janitorial and sanitation:** cleaning chemicals, disinfectants, liners, paper goods, and custodial equipment
- **Safety and PPE:** gloves, masks, eye and ear protection, high visibility apparel, and first aid
- **Facility and maintenance:** hardware, tools, lighting, batteries, and repair supplies
- **Printing and signage:** signs, banners, decals, and printed materials

DIFFERENTIATORS

- **One point of contact.** No call centers and no handoffs.
- **Fast, clear quotes.** Usually within 24 to 48 hours, with no surprise fees.
- **Hard-to-find items.** If it is not on our list, we find it.
- **Every order matters.** Small, large, and rush orders get the same attention.
- **Complete paperwork.** Documentation ready for receiving and invoicing.
